Theater Students Roleplaying in Auditing

Teaching Tip

Utilize theatre students to serve as actors and role play the part of the company for mock audits. The students of the course then become the auditors and the scenario is brought to life.

The theatre students can also role play ethical situations where the auditing students must decide what course of action to take.

WHY EFFECTIVE

- Student Engagement
- Multidisciplinary
- Teamwork
- Act out a Scenario
- Unique Delivery

CLASSROOM IMPLEMENTATION

- Completed for 2 semesters
- Postive Feedback
- Increased Participation
- Students attended class
